Sir:

Responsive to the Notice mailed November 30, 1993, enclosed please find a 5 1/4" diskette containing a sequence file pursuant to 37 C.F.R. § 1.821. The "Sequence Listing" comprising file 93509.seq on this diskette is accompanied by a copy of substitute page 33 of the specification, added by the accompanying Preliminary Amendment and corresponding to the first page of the "Sequence Listing" on the diskette submitted in computer readable form.
